

# Timestamp Verification Record

---

This document records the cryptographic timestamp proof for the work titled "Laws of Cosmic Evolution". It ensures verifiability of authorship and creation date through OpenTimestamps, anchored to the Bitcoin blockchain.

## Work Details

Title: Laws of Cosmic Evolution

File format: .pdf (Portable Document Format)

Creation date: August 2025

## File Hash (SHA-256)

7de454d870c2d4c5929600e991682aec7ce92f70241c7e374573632b3f3ed052

## Verification Instructions

1. Obtain the original document (Laws\_of\_Cosmic\_Evolution.docx) and its corresponding .ots timestamp proof file.
2. Go to <https://opentimestamps.org> and upload both the original file and the .ots file.
3. The service will confirm that the file existed at or before the recorded timestamp, anchored in the Bitcoin blockchain.
4. Optionally, verification can also be done via the OpenTimestamps command-line tool.

## Signature / Notes
